

Guests of the Southern Gateway Chorus

Welcome to the wonderful world of barbershopping!

Communicating during your visits to the Western Hills Cincinnati Chapter is important. Please be sure to check with the Vice-president of Chapter Development (membership) each week for news affecting you.

SGC Weekly Bulletins are available for you on the table to the right of the Split-the-Pot table in the entry to the rehearsal hall. Please get one each week and read up on SGC plans and activities.

Please visit www.southerngateway.org. You can be granted access to the “**Members Only**” part of the chapter’s website by seeing the VP of Chapter Development. You can get sheet music and download recordings of our current repertoire in the “**Members Only**” section. For a CD with our current repertoire, please see Jeff Legters.

Jeff Legters

IMPORTANT: We are always seeking new members! Guests are invited to begin the process of joining our chapter and chorus. See the “**Becoming a Member**” section, under “**Visit**” on the home page.

SGC follows a membership process. We all need to be up-to-date about where you are in it. Once you have completed your 3rd visit, we invite you to submit a membership application. But we ask that you hold your membership application and dues payment until you have completed a simple audition. See Jeff about this. If your audition takes more than one try, don’t worry! Once you have completed it, please prepare a short biography for use in the Weekly Bulletin. Examples of what to include: where you were born and raised, where you were schooled, friends in SGC, wife and kids info, hobbies, and fun facts about you.

Please call Dale Shoemaker, the V.P. of Chapter Development with any questions.
