

Friends of Southern Gateway

Sponsorship Program (1/20/10)

The "Friends of Southern Gateway" program provides an opportunity for businesses and families to show support for one of Cincinnati's finest and most enduring organizations. Through this support, our Friends add to the mission of the Southern Gateway Chorus.

Your generous contributions provide music education programs for our members and for local youth, subsidize concerts, defray uniform and equipment cost, and help with chorus training and administrative costs.

With the help of our Friends, the Southern Gateway Chorus is able to support the community more effectively. To these ends, we invite your company and/or family to join the "Friends of Southern Gateway".

We truly appreciate your generous contributions.
