

Friends of SGC

The "Friends of Southern Gateway" program (or "Friends of SGC") provides an opportunity for businesses and families to show support for one of Cincinnati's finest and most enduring music organizations.

Through this support, our Friends add to the mission of Southern Gateway.

Your generous contributions provide music education programs for our members and for local youth, subsidize concerts, defray uniform and equipment costs, and help with training and administrative costs for the Western Hills Chapter.

With the help of our Friends, Southern Gateway is able to support the community more effectively. To these ends, we invite your company and/or family to join the "Friends of SGC".

We truly appreciate your generous contributions.

MISSION STATEMENT

"Our chapter is a family of barbershop harmony singers dedicated to musical excellence, education in the barbershop style, and to the joy of entertaining. We accomplish this by constantly improving our music and performance skills to thrill our audiences and generate standing ovations."

Who Are We?

The Southern Gateway Chorus (SGC) is a non-profit organization that was chartered in 1956 as the performing chorus of the Western Hills (Cincinnati) Chapter of the Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America (SPEBSQSA, Inc.)

Performing entirely a cappella, the chorus is dedicated to musical excellence, education in the barbershop style, and the joy of performing. Our singers range in age from early teens to late 80's.

The singing of SGC has brought joy to many in Cincinnati and around the nation. In 2003, the Southern Gateway Chorus entertained at the lighting of the Christmas tree on Fountain Square, on WXIX Television, and at the Tall Stacks Festival. In prior years, SGC has performed with the Cincinnati Pops and with Mitch Miller on national PBS television.

SGC is also proud to have won two International Chorus Championships and numerous medals throughout its long history.
